Welcome to all!

I would like to take this opportunity to welcome all of you to our 149th Howick-Turnberry Fall Fair.

The Theme of our fair this year is “Country Harvest”. How appropriate and meaningful for our community to carry out such a theme! To harvest – is to gather.

I would like to send a huge thanks to all the dedicated volunteers that make this astounding fair possible. Without the fair committees, directors and especially our secretary/treasurer, Marion Feldskov, this event would never happen.

Also thank you to all the generous businesses and individuals who donate money and gifts for the prizes received by our exhibitors and also for the Chinese auction.

Last but certainly not least, how could a fair take place without all the exhibitors? Their creativity and timeconsuming entries truly make the fair. Thanks to all of you.

I hope each of you enjoy the many activities this 149th fair has to offer. There’s something for everyone – from the young to the young at heart!

**Richard Donaldson
President**

At this time, the arena will be cleared by the Directors, after which exhibitors will be admitted to remove their exhibits. **PRIZE MONEY WILL BE FORFEITED IF EXHIBITS ARE REMOVED BEFORE 4:30 P.M., WITHOUT PERMISSION.**
7. Horses must be entered and on the grounds before 1:00 p.m. on Saturday.

9. The judges shall have it in their power to withhold a premium in cases where they do not deem the animal or article exhibited worthy of one.

10. All stock, produce and other articles exhibited are at the risk of the owners.
11. All exhibitors showing stock, produce, or other articles not their own property or of their own manufacture shall forfeit all prizes awarded to them, but horses may be legally leased.
12. All samples of grain, seed, roots and garden productions must have been grown the present season on land owned or rented by the party entering the same.

16. Any person who shall attempt to interfere with the judges or officers of the Society while in discharge of their duties, or shall on the premises of the Society use any contemptuous or abusive language, shall be immediately removed from the grounds and shall forfeit all prizes to which he would otherwise be entitled, and may further be disqualified from competing at the Society's show for one or more years, at the discretion of the directors.

18. In the case of bad or unfavourable weather, or other reasons causing the receipts to fall short of paying expenses and all prizes in full, a proportionate amount, exclusive of membership, will be deducted from such prizes to enable the directors to balance the accounts without loss to the Society. The directors feel that this course is the most equitable and fair that can be adopted, and any deduction will fall proportionately on those participating in the amounts collected, and not leave the whole sum to be a debt to bear heavily on the Society, and thus impair its usefulness.
19. The Society shall not be responsible for any loss, damage or accident occurring to any person or property on the fair grounds during the fair. While the officers and directors of this Society will use every available means of preventing accidents in and about the grounds, it must be strictly understood that all persons going into or upon the show grounds must personally assume all risk of accidents or injury from accidents, or from any cause whatsoever.
